

## General Conference Packet – October 2023

Hark, mortals of the earthly plane, for I am Reginald Thornfield, a soul now steeped in the shadows of Hollowbrook's darkest secrets. Once, I reveled in earthly mischief, but on a fateful All Hallows' Eve, I succumbed to a ghastly fate. Twisted by malevolent forces, I became a spectral presence, forever imprisoned in this spectral plane.

I now stand as the spectral guardian of enigmatic conundrums and eerie riddles, haunting the very town I once called home. Beware, for my challenges are cloaked in otherworldly mysteries, and my laughter now echoes with a haunting wail. Dare you venture forth on my spectral odyssey, where the line between the living and the spectral is eternally blurred?

As you dare to tune in to the ethereal echoes of General Conference, please take heed and partake in this enigmatic packet. Within its spectral pages lie activities that I, the mischievous ghostly author, have meticulously concocted to keep you entertained throughout each mystifying session. Behold, there are bewitching coloring pictures, cryptic word searches, enigmatic crosswords, and eerie spaces to transcribe the messages of the spectral speakers.

But beware, dear mortals, for the night of Halloween draws nigh, and I have devised a fiendish twist. There exists an obligatory activity, a haunting enigma to unravel, to be undertaken during a specific session, and it is not to be unraveled beforehand. This darkly cunning riddle shall thwart any attempt to hasten toward your coveted reward. I shall grant the privilege of a prize to the first brave soul who conquers all these ghostly tasks, whether it be a cauldron of their favorite candy or a paltry \$10 gift card to a restaurant of their choice.

However, heed my spectral warning, for this endeavor must remain dormant until the very conclusion of the conference, and no sooner. Let the anticipation chill your mortal bones as the time for Halloween's ghastly arrival creeps ever closer. Mwahahahaha! Before you depart from this eerie endeavor, I beseech you to record at least two lines of your thoughts and reflections, for only those who do so shall be considered for the prize, and I shall delight in reading your musings from the shadowy realms beyond.
